HONITON is set to welcome thousands of visitors to another sausage and cider festival in May, following huge demand for organisers to stage the event for a second year.

Last year's festival, billed as "the biggest community event Honiton has ever seen", was widely regarded as a huge success, with a sell-out crowd flocking to the Old Showground for a taste of the action.

Around 5,000 festival-goers came through the gates to see Westcountry legends The Wurzels and a host of other musical acts perform.

And now, after a surge in ticket requests, the Honiton Foundation is pressing ahead with plans to put on a spectacular second festival in the new year.

"We are really excited at the prospect of putting together this second festival for the people of Honiton," said organiser Daniel Lavery.

"The reaction to the first one was so positive and everyone enjoyed the friendly atmosphere. We re-

ceived a huge number of requests to do it all again in 2015."

A total of £9,000 was raised for local causes earlier this year, with around half going to the popular Honiton-based charity Devon Freewheelers.

And the Bloodbikes organisation, which provides an out-of-hours emergency medical courier service, is set to benefit from a bigger and better festival in 2015.

Next year's event will run over two days – May 1st and 2nd – and the festival has been switched to the Honiton Showground on the other side of the town to provide extra parking space and improved

## TOP STORIES FROM ALL THE OTHER EAST DEVON TOWNS

### AXMINSTER

## Threat to small shops condemned by mayor

AXMINSTER Mayor Jeremy Walden is appalled that a potential threat to the viability of the town centre has won approval from the district council under delegated powers.

East Devon District Council (EDDC) has approved an application for a Timpson kiosk in the Tesco car park to provide shoe repairs, dry cleaning, key cutting, jewellery repairs, watch repairs, engraving et cetera.

The application was not heard by EDDC's Development Management Committee, but decided by officers under delegated powers.

Terry Barker, owner of Shoe Mate in Axminster, is likely to be worst hit by the approval.

Mr Barker, who has traded in the town centre for more than 15 years, said: "The government and councils keep saying they want to keep small businesses, but this is not helping me as a small business."

Axminster Town Council opposed the application, saying it contravenes conditions in the original approval relating to protection of the viability of existing town centre businesses.

A condition of the original planning application refers to the net retail area of the food store, saying it should primarily be used for "the purposes of the sale of retail food and convenience goods and shall not, except for 10 per cent of the net retail area, be used for the sale of comparison goods or for any other retail purpose". There is no mention of the car park, but a condition was implemented to "control the development in the interests of protecting the viability of the town centre".

The EDDC officer's report, however, said it was thought that the kiosk, on account of its limited scale, would have "no harmful impact" upon either the vitality or viability of the town centre."

## From the editor's chair That was the year that was

**THIS** is the time of year when we invite our civic leaders to write a New Year message, commenting on the past year and looking forward to the next.

It also provides an opportunity from those who make the decisions which affect our daily lives to say a thank you to those who work so hard in their communities.

In **AXMINSTER** Mayor Jeremy Walden comments on a difficult year in which the town's library, youth provision and hospital has come under threat.

But he turned his thoughts to 2015 and the opportunity for Axminster to celebrate the 800th anniversary of the granting of the town's Charter.

From a civic viewpoint, **SEATON** has enjoyed an "uplifting" year and Mayor Gaynor Sedwick comments on how the town has bucked the trend with so many new businesses opening in 2014.

She, too, pays tribute to those who work so hard in the town, referring to them as "unsung heroes".

Councillor Sedgwick also looks forward to the opening in 2015 of the Jurassic Discovery

Centre which she believes will add significantly to the regeneration of her town.

The year 2014 has also been a good one for **HONITON** says Mayor Peter Halse, believing one of the town's biggest successes was the opening of The Beehive community complex.

He also comments on how "passionate and caring" the people of Honiton are and how he is confident they will pull together in the face of further cut-backs in local government.

The cut-backs were also a theme in the New Year message from the Mayor of **OTTERY St MARY**, Councillor Glyn Dobson. He also praises his townfolk for their hard work and enthusiasm and pays tribute to their resolve in their efforts to safeguard local services.

Councillor John Hollick, chairman of **SIDMOUTH** Town Council, refers to the many challenges that lie ahead for his town in 2015 and the determination of the council to find a solution to protect the services under threat.

We asked District Council leader Paul Diviani to send a message to the people of **EAST DEVON** - but he declined our offer.

### SEATON

## Pressure to reject Harbour Road flats

DISTRICT council planning bosses will have to sift through more than 50 written objections from Seaton residents before reaching a decision on the future of the Harbour Road regeneration site in the new year.

Public outrage at the proposals - to build more than 40 retirement flats at the site - hit new heights in the run-up to Christmas, with a flurry of objections sent to the planning authority, East Devon District Council.

Not a single member of the public wrote to the council in support of the plans, while almost 60 others have expressed their strong objections to McCarthy & Stone's controversial application.

EDDC's Development Management Committee is expected to deliver its verdict early in the new year, though a date has not yet been fixed.

### OTTERY St MARY

## 'Demanding' role for council, says mayor

MAYOR of Ottery St Mary Glyn Dobson has praised the hard work and enthusiasm of community leaders for their efforts to support the town's infrastructure over the last year, as public services cutbacks continue to bite.

Councillor Dobson, who was re-elected as mayor for an eighth consecutive year in May, said town councillors were being asked to play an "ever more demanding" role in various aspects of local government, as both district and county councils look to make savings.

Over the last 12 months, the town has been faced with a series of cutbacks to key services, with Devon County Council slashing funding for Ottery's library, children's centre and youth centre.

Threats of further cuts to road repair budgets and the loss of facilities at Ottery's community hospital still hang over the town.

But Councillor Dobson said he had been impressed by the resolve of residents, who have played their part in campaigns and projects to try to safeguard services. And the town council is now close to agreeing a deal to take over the former social services building at St Saviours for use as a community hub.

HONITON is set to welcome thousands of visitors to another sausage and cider festival in May, following huge demand for organisers to stage the event for a second year.

### SIDMOUTH

## Urgent appeal to find new community cafe

LEADERS of a charity initiative designed to support Sidmouth's most vulnerable people are appealing to businesspeople and community members for their urgent help in finding a venue for a new 'community café'.

The Salvation Army is planning to launch the café in either Manstone or Woolbrook, and is on the lookout for a suitable location.

Volunteers hope to serve food in the café six days a week, while offering cookery workshops to help people learn about eating healthily on a budget.

Charity bosses are also looking to work closely with the food bank and other community groups around Sidmouth to deliver support services to those in need.

To contact the Salvation Army with regard to the community café initiative, call Major Richard Mingay on 01392 822110.

# A New Year Message

from Mayor of Honiton, Councillor Peter Halse

CHRISTMAS is a very special time for all of us; a time to spend with family and friends, reflect on a year passed and plan for the new year ahead.

The past seven months as mayor has been a tremendous experience for me.

I have been overwhelmed by the warm welcome I have received from the people of Honiton and feel honoured to represent you as mayor.

I have had the pleasure of meeting so many interesting people and attended a wide range of functions and events throughout the year.

2014 has been a good year for Honiton. Our successes include the opening of the new community complex, known as the Beehive, a facility that the town was severely lacking.

The Beehive is a modern, accessible centre offering addi-

tional space and opportunity for a mix of uses for local people, including community and arts activities.

Many people have benefited, whether for social or wellbeing purposes, as a venue for young adults with learning disabilities, a training centre for the unemployed, a home for various dance classes for both adults and children, tea dances, the community cinema and as a meeting place for local organisations including Honiton Pan-tomime Society and Honiton Carnival.

The Beehive is both beneficial now and for future generations and I would like to take this opportunity to thank the many members of our community, councillors past and present and officers of this town council for their years of dedication and hard work in order to bring this project to reality.

Our Hot Pennies cer-

emony had the highest number of people attend and it was good to see the town so busy with many people then taking the opportunity to wander around the shops and market stalls.

Even during these difficult economic times we need to strive to develop our local economy. Every effort is being made to work with Honiton Chamber of Commerce, Honiton Tourist Information Office and other local organisations to improve this historical market town as a place to visit for its unique shops and cultural activities.

Many cutbacks and reductions in services have been proposed, and the town council has made its voice heard to protect much-needed services.

However, what has come out of this is how well the people of this town pull together, whether it is

through volunteering or helping financially all because we are passionate and care.

As mayor, I have had the pleasure of awarding community grants totalling over £11,900 to local organisations. For me, visiting Honiton's many groups and organisations has been a revelation.

The community groups - and the volunteers who run them - are the lifeblood of Honiton and it is they who contribute greatly to making Honiton a place where people can be proud to live.

On behalf of the councillors and staff of Honiton Town Council I would like to wish you all a peaceful, happy and prosperous new year.

## Lions pour thousands back into community

LOCAL fundraisers have celebrated another successful year generating cash for the community, **writes JACK DIXON.**

By the end of the year, the Honiton and District Lions club expects to have raised around £8,000 for various causes in the town, and members have thanked local businesses and community groups for their continued support.

The club has dished out cash donations to a long list of local causes over the last 12 months, following countless collections, performances and events to help generate the money.

Among the top stories of the year was a £500 donation to Honiton's Headway charity for a new laptop

computer, as well as a £1,000 contribution to the WESC Foundation - which supports visually impaired young people - to pay for an interactive television screen. Club president Brian Richards, who took over from Ed Pescud earlier in the year, said it was a pleasure to see so many of the Lions' important projects through to their conclusion.

"After many years with the Lions it is always so satisfying to see what has been achieved by the club over the year," he said.

"The club has had to work harder and harder to raise funds and arrange events, but I would not be surprised if the club put £8,000 back into the community by the year's end."

The list of organisations

that have benefited from the Lions' generosity this year includes the Devon Free-wheelers, the Honiton Youth Orchestra and Honiton Rugby Club, as well as the town's library and community college.

The club also had a presence at some of the biggest events on the East Devon calendar, making an appearance at the Ottery St Mary Tar Barrels, the Classic Car Rally in Honiton, and its own annual 'Duck Derby' at the Otter Inn.

The Lions Ladies also made impressive contributions to the community this year, with a pamper evening helping to raise £750 for both the Force Cancer charity and Hospiscare's ongoing day hospice project.

## Sausage festival set to return

■ **CONTINUED from page 1**

facilities. Bosses have already added the first names to the bill, with top tribute acts 'Abba the Revival' and 'Queen with Freddie Mercury the Pretender' booked to perform.

The new and improved festival will boast a full-size open-air stage with a professional sound system, as well as extra stands and on-site attractions.

Mr Lavery, who is also the Free-wheelers CEO, added: "More stands are being booked, with many more local sausage producers and other caterers, and additional family activities will be on site, including laser quest and a fun fair - the teething

problems from the first event have all been addressed.

"We have listened to what people said about the first festival - it was a learning curve for us but with one under the belt, we feel confident that we are covering all bases in terms of organisation.

"The festival is still subject to the licence being granted, but everything points to another successful event for local people and visitors to the area."

Tickets are expected to go on sale at the end of January, with over 11,000 people already expressing an interest on the festival's social media page.

# East Devon veterans honoured by Russian government

TWELVE World War Two veterans from *Pulman's Country* were among more than 50 brave men to receive the Ushakov medal from the Russian government during a ceremony in Exeter.

The Russian government honoured the men for the roles they played in the Arctic Convoys, transporting crucial supplies to Russia.

Counsellor of The Russian Embassy, Sergey Nalobin, presented the Ushakov medals to the men of the Arctic Convoys at a special ceremony at County Hall on Friday, December 19th. The medal is awarded to sailors who have displayed courage in the course of defending Russia or its interests.

planes to deliver vital supplies to the Soviet Union in Northern Russia. More than 3,000 men died during the maritime campaign that Winston Churchill was said to have called the "worst journey in the world", and by May 1945, the Arctic route had claimed 104 merchant and 16 military vessels.

The Foreign Office initially did not allow Russia to honour the veterans as it broke their rules which do not allow British soldiers to receive a foreign medal if the act happened more than five years ago. Following a concerted campaign in 2013, they allowed an exception to the rule and President Putin presented the first medals during his visit to London on June 16 2013.

During the ceremony in Exeter, Mr Nalobin said to the veterans: "Your personal bravery is appreciated by not only the Russian government, but also by the Russian people. We will remember you every day of the year."

"We are pleased there are so many heroic veterans here today. It is important to salute you for the courage and bravery shown 70 years ago."

"What you have done for us was extremely important. We know how much you risked for that important mission 70 years ago."

The veterans from *Pulman's Country* invited to the ceremony were: Alan Bird (Axminster), Raymond Reginald Board (Axmouth), Raymond George Clark (Honiton), George Langridge (Seaton), Harold James Lovering (Ottery St Mary), Roy Frederick Thomas Lawrence (Beer), Perrin Raymond James Veness (Sidmouth), Frank Edward Scanlon (Seaton), Robert Gerald Frederick Stanes (Honiton), Robert Gordon Warwick (Honiton) Godfrey Frank Hart (Ottery St Mary) and John Hurst (Honiton).

In a previous interview with *Pulman's View*, Mr Bird from Axminster, said: "Every day there was an incident. You were at action stations all the time. Norway was occupied and Germany controlled the bases there and we were handy for them to target. They had a habit of it."

He was very modest about the part he played himself, though, and said: "I'm no hero or anything. I just happened to be there at that time."

"The people who served in the Merchant Navy were the real heroes. If it hadn't been for the Merchant Navy there would have been no food in this country."

# Royal title for community nurse

A SENIOR community nurse, currently overseeing community nurses in Axminster, Seaton, Ottery, Sidmouth, Honiton and Colyton, has been made Queen's Nurse.

Jane Watson was given the new title by The Queen's Nursing Institute (QNI) at its autumn awards ceremony at the Royal Garden Hotel in Kensington, London. The title reflects a commitment to high standards of patient care, learning and leadership in community nursing.

Jane is a senior nurse for community nursing for Northern Devon Healthcare NHS Trust. She is the professional lead for the community nurses who care for patients in their own homes and other community settings across East Devon.

Jane said: "I am extremely proud to be awarded the title of Queen's Nurse. Our community nursing teams in East Devon do a fantastic job delivering high-quality nursing care for people in their own homes and it is a pleasure to lead and develop them."

Queen's Nurses benefit from development workshops, bursaries, networking and other opportunities. The title is given following an application process which includes feedback about the individual from managers and patients.

Sarah Garnsworthy, pictured right with Jane, the trust's senior nurse for community nursing in Northern Devon, joined Jane in earning the title in London.

Dr Crystal Oldman, QNI chief executive, said: "Congratulations to our new Queen's Nurses in Devon on their success. "The Queen's Nurse network is probably the most exciting professional development opportunity for nurses working in primary care, and we look forward to working with Jane and Sarah as they bring excellent care to their patients in the community."

The awards ceremony was attended by more than 200 people, including 80 new Queen's Nurses and senior figures in the nursing and healthcare sectors.

# Council set to press ahead with 'sensible' relocation

EAST Devon District Council is set to press ahead with revised plans to move its headquarters to Honiton and Exmouth, after councillors backed relocation proposals.

Detailed plans for the move will be drawn up in the new year, following the council's surprise decision to abandon its controversial SkyPark project.

Councillors signed off the proposals before Christmas, despite calls from Independent members - and a warning from East Devon MP Hugo Swire - to delay the decision until after the local and national elections in May.

Minority party councillors argued that residents had been "kept in the dark" about the key facts, and warned that it was reckless to commit to the "risky" move ahead of the elections.

But having backed the move regardless, the path now looks clear for the council to relocate to twin sites in Honiton and Exmouth, after a deal to sell its land at Heathpark fell through.

Staff are likely to move into the new offices in 2017 - a switch that is expected to cost around £10 million.

Council bosses say tax payers' money will be saved in the long term, with the alternative option - refurbishment of the current headquarters at Knowle in Sidmouth - costing at almost £16 million.

Council leader Paul Diviani said: "Relocation remains a priority and a means to face the future and deliver the best for our residents."

by Jack Dixon  
jack@pemedial.co.uk

"Now that we have the support of full council we can work towards removing ourselves from a costly, uncertain and increasingly impractical future at Knowle."

It was revealed earlier this month that more than £700,000 was spent laying the foundations for EDDC's SkyPark relocation, before a deal to sell council land at Heathpark - crucial to funding the move - collapsed.

Now the district authority is directing its efforts towards a revised plan, to be paid for with capital receipts and "prudential borrowing", which it says is the "sensible approach".

Cllr Diviani added: "Remaining at Knowle keeps us tied to old and inefficient buildings and fails to make the best use of this valuable council-owned asset."

"Refurbishment would cost the tax payer £15.9 million and quite simply, we don't have that kind of money. Relocation is our only option."

"A majority of councillors agree a combined Honiton and Exmouth office base offers a sensible approach involving new or modernised offices in two locations. A smaller headquarters and an accessible presence around the district has been the council's aim throughout this process."

The move has now been agreed in principle, but auditors will examine all the figures before a final decision is made.

OFFWELL Primary School held its first ever Foundation Stage Unit nativity play.

The unit opened in September and the children have been practising hard for the traditional retelling of the Christmas story. Mary was played by Freya and Teddy was Joseph.

Headteacher Anne Billington said: "All the other children in the unit also played very important parts, having several lines to learn as well as the words to the songs."

"Parents and younger siblings thoroughly enjoyed the performance which was held in the village hall. Special thanks and well done to Mrs Hunt and Miss Winward, who helped the children perform so well."

"Meanwhile, the older children, Year 1 to Year 6, took part in a carol service with a twist."

"There was a modern take on the story with today's characters playing alongside the more traditional ones. The modern Kings found Bethlehem with the

help of a 'sat nav' and an 'app'.

"There was a matinee and an evening performance; both

held in church and watched by parents, carers, grandparents, governors and the wider village commu-

nity. There were many compliments to be heard – a real start to the Christmas spirit for many."

■ PUPILS from Membury Primary School joined local pre-school children for a nativity play and service. The combined play and service to place in the village church. Staff and pupils have also been busy creating new website at [www.acornacademy.org/membury](http://www.acornacademy.org/membury)

## Trio of cheques from tractor club

■ CHARDSTOCK Vintage Tractor Club presented a trio of cheques, each for £550, during an event at The Squirrel, near Winham, Chard, before Christmas. The recipients were Cancer Research UK, Devon Air Ambulance Trust and Dorset & Somerset Air Ambulance. A further £50 was given to Denise Clarkson to help with the production of Chardstock News Letter. Club secretary Janette Bond said: "We have had several events through the year. Ploughing, a trundle, mowing and, of course, our first rally in September. We thank everyone for their generosity. On behalf of the chairman, Robert Waldron, the committee would like to thank Carla Guppy and staff for the warm welcome and excellent evening that was enjoyed by us all."

## 'Double Act' for Axmouth's youth theatre

THE young cast of Axmouth Children's Theatre TWO (ACT) ) performed two shows of Anne of Green Gables recently in very contrasting locations.

Firstly, they performed the play at Colyton Tram Station where the audience was given chance to travel from Seaton on the tram with Anne as she made her way to her new home and, secondly, they performed it in Axmouth Church as part of the opening of this year's Christmas Tree Festival.

They adapted well to the two different sets and gave good performances of a difficult script, which had been adapted by Malcolm Henty. Anne herself, played by Alice Price, was outstanding in both performances as we followed her story over a five year period. Two of the major roles were played by Imogen Oldfield and Euan Hartnell as the old bachelor and his sister, who mistakenly adopt Anne, and both of them at only 10 years old gave very polished performances, as did Matt Real as Gilbert and Ella Rapley as Diana.

The parts of Mrs Barry and Rachael were both played well by Shelby West and her sister Taylor did

the narration as the now older Anne. Callum Wood looked the part of the school master as he tried to control his students, played by Jessica Spiller, Beth Perry, Summer Perry and Lilley Smitham, two of whom are only eight but they all spoke well and looked superb in period costume and hair dos.

ACT TWO are now very much becoming a true youth theatre group with young Jed Holmes on lighting and sound and with Bex Smitham on piano. Another teenager, Beth Wood, directed the play, while make-up and hair was done by Jodie Smith, a student at Woodrofe School. Carol Rapley did the costumes and Lynn Richardson was the stage manager.

Most of the cast are now working hard on their pantomime "Sleeping Beauty" which will be performed at the end of February half term 2015. ACT TWO will be in action again later in 2015 with a new show which promises to be special, more details of this will follow later.

## Development lorries leaving mud on road

■ IT is heartening to see that lorries leaving the Dukes Way Betterment development in Axminster are now leaving mud and clay in Weller Road, as they have done for over three years in Dukes Way. A problem shared is a problem halved. Still a problem, though. I will not be taking my shovel up there.

## Enjoyable night wreath making

■ I WOULD like to say a big thank you for a most enjoyable evening me and three friends had at Seaton Marshes doing wreath making led by Penny and gang from East Devon's Countryside Team on Wednesday, December 10th.

The evening was brilliant and we hope, with how busy it was, this will happen again next year. Well done!

## Excellent healthcare in Seaton

■ IN June I had to move my parents to Seaton from Hertfordshire as my mother became very ill.

I cannot praise the health care in Seaton enough. The doctors, nurses and carers have been fantastic with nothing being too much trouble. The Seaton nurses visit regularly and help us, as a family, remain able to cope with mum at home.

The staff at Seaton Hospital are marvellous and her GP even visits the hospital when she is having day treatment to see that all is going well - unheard of in Hertfordshire where you are lucky to see a doctor.

I want to say a huge thank you and pray that someone in authority see the sense in keeping these wonderful services in place.

*Sandra Anderson,  
Seaton*

## Thanks for supporting Lions

■ ON December 17th 1984 the Pulman's paper helped me to form Seaton & District Lions Club with 24 dedicated members.

In our 30th anniversary year, we have 28 members and, through your paper's continued support over the years and the generosity of local businesses, plus the people of Axmouth, Beer, Colyford, Colyton and Seaton, we have raised more than £40,000.

The money we have raised has helped both our local communities and national disaster funds. This year's Santa float is heading for a record amount and over £4,500 has been collected to date.

Once again, a sincere thank you to all who have helped in any way, for your continued support, enabling the Seaton & District Lion's Club to look after those who are less fortunate than ourselves. And thank you to all our retired fellow Lions and our wives, plus Dee Byrne Jones, who allowed us to collect the donations to our Christmas tree light memory appeal outside her premises. Without their help we would not be able to help others in need.

Should anyone wish to join the Seaton & District Lion's Club, or just find out more about our club's activities, please call me, George Mabon, on 01297 21572. Season's Greetings to everyone!

## Phoenix Ladies explore genealogy

AT the December meeting of the Axminster Phoenix Ladies Club, members were treated to a talk by Mary Hyland of Plantagenesta, Honiton, on genealogy.

Tracing our ancestors has become popular in recent years and, with the internet at our fingertips, it is much easier to research and negates visiting record offices, parishes and even graveyards, as in the past.

Mary also gave members a fascinating insight into unusual names, such as Ostrich as a Christian name of a Victoria Cornish family, or Ellen Step Forward and another gem, Pocahontas Scroggins. Another child called Almond became known as nutty slack when he became a miner.

Other humorous names included Honour Bound, Prosperous Guy and Orson Cart, the latter due to his mother being an Orson Welles fan.

Bigamy was another interesting fact during the 19th century when people were unable to divorce and remarry, with many men supporting two families and naming any children with the same name to avoid a mistake.

Following the talk, the chairman handed gifts to the

treasurer, Julia Walter, Penny Daglish who books excellent speakers each year and Stella Landeryou, who organises the refreshments each month and thanked them for all their hard work during the year. Members very kindly reciprocated by making a surprise presentation to the chairman.

During the meeting, Jill Ruddick from the Tourist Information Centre was presented with a £300 cheque from the Phoenix Ladies Club for the invaluable help the centre provides to visitors to the town. The TIC received the most votes in a secret ballot for the club's annual charity donation and continues the Phoenix Ladies' support of local charities and the vital services provided within the community.

The next meeting of the Phoenix will be on Wednesday, January 14th at 2.30pm in the United Reformed Church Hall, when guest speaker Fiona Dunster will tell members all about the work of a local JP. Programmes for the next year will be handed out at the meeting and subscriptions collected. Visitors always welcomed.

## U3A members meet for festive social

MORE than 80 members of the Honiton University of the Third Age (U3A) were welcomed by the chairman Susanne Jones to the Mackerness Hall recently for their Christmas social.

The entertainment began with young up-and-coming local jazz singer, Darcy Williams, who transported her audience in song from places as far afield as Ipanema to the moon, and then to enhance the festive mood concluded her performance with several popular seasonal numbers.

During the afternoon, members were invited to guess the identity and usage of 15 strange and curious objects which had been kindly brought along and displayed by Margaret Lewis from The Allhallows Museum. These ranged from wig curlers to a Victorian skirt lifter and there were some very amusing answers but the overall winner with most correct was Helen Wale.

To keep up the quiz theme, on each table was a list of 22 cryptic clues, the answers to which were all well-known biscuits. These were pondered over

during the course of the afternoon and the table getting the most correct comprised of Judy Coreless, Pam Falkner, Mary Smith, Barbara Lewis and Di Goldby.

After all that brain searching the buffet which was served was extremely welcome and proved the perfect conclusion to a very enjoyable afternoon.

### Freedom from anxiety

ARE you fed up feeling stressed, anxious and tired? Do you constantly worry? Do you avoid situations that make you feel anxious? If so hypnotherapy can help you to feel physically relaxed and mentally calmer, more positive and confident about your future.

## Michelle Hague Hypnotherapy

### Christmas has gone it's time to look to the New Year

IS it time to turn the page and start a new chapter of your life?

Hypnotherapy is known to be able to help many make those changes. Most people think of it helping to stop smoking and lose weight, but it can help a much wider range of health issues, all of which are impacted by stress anxiety fear or phobias. For many it is an unknown, and a little worrying. So it's time to set things straight.

Hypnosis and the therapist can not make you do anything you don't want to do. No one can control you, only you can do that.

Hypnosis will only work for you if you want to make changes to your life, it is a collaborative alliance between the therapist and the client.

Which means if you don't try to help yourself the hypnotherapist can't do it for you.

So how does it work? It works in a similar way that advertising does. Suggestions are made to the

unconscious using a variety of techniques and the mind takes those suggestions and stores them, to be acted out and rehearsed later.

Hypnotherapists often use relaxation techniques and guided visualisation to help a client settle and let go of the initial apprehension they may feel, and for many this becomes a very enjoyable part of the therapy, but it is what happens next which is where the work is done.

The client, then should practice what ever they have agreed to do, and this then reinforces the suggestions for the changes, so it just gets easier and easier.

#### How long does it take?

Often changes are effective in three sessions, for some it is a little quicker and for some a little longer, the more individuals engage and start to practice on their own the easier and quicker it is.

#### Does it work for everyone?

We know that hypnotherapy works for approximately 90 - 95% of people, and that 'hypnosis' is a naturally occurring phenomenon that 'everyone' is able to experience.

A good therapist will have trained for two or three years and for some a lot longer so they have a wide range of techniques to help. It is always wise to check that any therapist you go to see is well qualified and is covered by insurance and they are registered.

No trick, no myth, no magic, but if you are ready to make changes in your life for your health and well being for motivation or confidence or creativity or just to build your self esteem, give Michelle a call and see if she can help you. 07761773563

## Lindy Parry Podiatrist

I HOLD my private chiropody clinic at Townsend House Surgery in Seaton on Tuesdays, Wednesdays and Thursdays.

I offer a range of treatments from a simple nail cut to nail surgery, and each treatment plan is priced accordingly.

The nail cutting only service is a shorter appointment and is ideal for those that don't have any other foot care needs. Others like to alternate nail cuts with chiropody treatments as it best suits their requirements. I always aim to work with the patient to find the best treatment plan to suit each individual. Patients feet are then monitored during treatment so that changes can be made should the need arise.

Diabetic patients who attend for chiropody will also have a diabetic foot assessment carried out during their first treatment, and will then be monitored and re-assessed as necessary.

My chiropody clinics are available to anybody seeking help with their feet and Townsend House and I look forward to welcoming you.

Bookings can be made by calling 01297 22956.

## Youngsters achieve 5 stone loss with Honiton Slimming World

A COUPLE of Honiton youngsters have achieved their personal weight loss goals in 2014 by losing 5 stone between them and being voted winner and runner up of the Honiton Slimming World Miss Slinky competition.

Roanna joined the group in Honiton in 2013 after seeing herself on her daughter's christening photos. "I've struggled with my weight since I was a teenager and it's always affected my confidence, so much so, I always hated going out as I thought people were staring at me".

"I was nervous and felt embarrassed that I had to join Slimming World as I thought I would be judged but that couldn't have been more far from the truth. I was made very welcome, everything was kept confidential too. The group were lovely and I couldn't have continued my journey without their support".

"I'm proud of myself now as I never did exercise before yet I now enjoy running and exercise DVDs and I have recently done the Race for Life 5K. The best thing is that my daughter and partner now eat the same as me and my daughter enjoys cooking with me too".

Milly joined Slimming World in April 2014 and has gone on to lose 2 ½ stone in the run up to her wedding in 2015. "Like Roanna, I had struggled with my weight for some time and hated going out as I never knew what to wear. I knew I wanted to lose weight for my wedding but just couldn't get myself started. That was until I rang my Grandma one day who asked me "Are you still fat or have you started losing weight for the wedding yet?" - of course this really hurt and I realised I needed to do something. That's when I found Slimming World".

"I'm finding it really easy and can still enjoy my favourite meal of lasagne and chips cooked in a healthy way, and I can still enjoy some treats, but I have learnt to enjoy them in moderation. I also now love to run and can even get grumpy if I can't go!!! The weight loss has also helped me control my asthma too".

Roanna and Milly attend the Honiton Slimming World group which is held on a Tuesday at 5.30pm or 7.30pm and also on a Wednesday at 9.30am. Both groups are held at the Honiton Family Church on the High Street. ## ACT TWO 2011 perform Anne of Green Gable

THE young cast of ACT TWO (Axmouth Children's Theatre) performed two shows of Anne of Green Gables recently in very contrasting locations. Firstly they performed the play at Colyton Tram Station where the audience was given chance to travel from Seaton on the Tram with Anne as she made her way to her new home and secondly they performed it in Axmouth Church as part of the opening of this years Christmas Tree Festival. They adapted well to the two different sets and gave good performances of a difficult script which had been adapted by Malcolm Henty. Anne herself played by Alice Price was outstanding in both performances as we followed her story over a five year period, two of the major roles were played by Imogen Oldfield and Euan Hartnell as the old bachelor and his sister who mistakenly adopt Anne, both of them at only 10 yrs old gave very polished performances as did Matt Real as Gilbert and Ella Rapley as Diana. The parts of Mrs Barry and Rachael were both played well by Shelby West and her sister Taylor did the narration as the now older

Anne.

Callum Wood looked the part of the school master as he tried to control his students played by Jessica Spiller, Beth Perry, Summer Perry and Lilley Smitham, two of whom are only eight but they all spoke well and looked superb in period costume and hair dos.

ACT TWO are now very much becoming a true youth theatre group with young Jed Holmes on lighting and sound and with Bex Smitham on piano, another teenager Beth Wood Directed the play. Make up and hair was done by Jodie Smith a student at Woodrofe School. Carol Rapley did the costumes and Lynn Richardson was the Stage Manager.

Most of the cast are now working hard on their Pantomime "Sleeping Beauty" which will be performed at the end of February half term 2015. ACT TWO will be in action again later in 2015 with a new show which promises to be special, more details of this will follow later.

# Puss to appear in Boots soon

AFTER cutting his teeth as a Producer for their recent shows Jack Price will be directing this first pantomime for Axminster Drama Club this year with an original script of Puss in Boots being performed for the first time.

So many youngsters wanted to take part this year that the junior chorus has been divided into three separate teams which means that 40 young members are able to take part, but not all at the same time. Not only does the club have a first time director many of the cast will be appearing in their first ADC pantomime this year as well but don't worry there is also many well-known members taking part as well.

An ADC pantomime wouldn't be the same

without the amazing artist talents of Jackie Demkiw and Heather White, with some outstanding scenery all created over the last few months in the clubs own workshop behind the Guildhall.

Tickets will be on sale for Puss In Boots at Archway Bookshop, Church Street, Axminster after Christmas. Performance dates are Thursday 15th to Sat-

urday 17th January with a matinee on the Saturday with reductions for all tickets purchased in advance.

## Rousing festive performance by Sheldon Singers at their Christmas Concert

HONITON'S Sheldon Singers performed their Christmas Concert at The Beehive Centre for the first time. The format on Saturday, December 20th was rather different from their usual Christmas offering in that appropriate readings were inserted into the programme, which made the evening even more enjoyable. The choir entered singing the Gloria from a piece called "Angels", written specially for Sheldon Singers by David Ogden.

The first half of the concert consisted of a medley of familiar and less well-known carols, interspersed with poetry and extracts from books. The choir demonstrated once again how beautiful their diction is in "God Incarnate", by Humphrey Clucas, a work of four pieces meditating on the story of the birth of Christ. A highlight of this first part of the evening was Ann Boakes' reading of Clive Sansom's poem "The Innkeeper's Wife". The audience was enrapt – you could have heard the proverbial pin drop!

Then, by way of Jingle Bells and three carols from the Far East (which included a most lovely lullaby from Korea, sung very poignantly by the unaccompanied choir) we rounded off the first part of the evening with the whole audience joining in for "It Came Upon the Midnight Clear".

The second half of the concert was very different. We started with the audience joining the choir to sing "Ding Dong Merrily on High" before going on to enjoy "On Christmas Night", a musical celebration of the Christmas Story by Bob Chilcott., written for choir, audience, and musicians. This meant that the audience joined with the choir from time to time, singing the traditional carol tune and words, whilst the choir sang a different melody and words. Again, the musical elements of this work were linked by short readings from the Bible, telling the whole story from the Garden of Eden to the arrival of the Magi. The musicians came into their own again in this piece, with a particularly enchanting flute solo accompanying "A Spotless Rose". A solo from soprano Catherine Early, with the audience singing "Silent Night" in counterpoint is also worthy of mention. And back to tradition for the end of the evening – what else but "Hark the Herald Angels Sing" sung by the choir and audience, rousing accompanied by our talented musicians on flute, harp, oboe, percussion and keyboard. The Sheldon Singers return to St Pauls, Honiton on Good Friday for an Easter concert – not to be missed!

## Free breathing help in Honiton

THERE will be a free 'one off' unique session for people with all types of breathing problems, when an expert in the world renowned Buteyko Breathing Rehabilitation Method visits Honiton in the new year.

Locally based Simon Paddon will host the event. He is one of fewer than 300 specialists in the world who is qualified to teach Buteyko Breathing. Mr Paddon has led a series of NHS pilot studies of Buteyko Breathing, all of which have shown significant improvements for sufferers of COPD (chronic obstructive pulmonary disease), asthma, emphysema, bronchial problems, panic and anxiety, and other

breathing problems, whilst at the same time enabling them to safely and substantially reduce medications, in line with guidelines from Asthma UK. Published results of these studies conclude that if Buteyko were to be used nationally, within primary care, the NHS could save £268million every year. Mr Paddon explains, "Buteyko Breathing is unlike any other form of breathing regime, it focuses on every aspect of breathing, such as, how we should breathing when we cough, sleep, speak, exercise, eat, panic, and at all other times – as well as using gentle breathing techniques". Mr Paddon continues, "There is

often confusion as to what exactly correct breathing is, with a perception that breathing deeply or breathing as much air as possible is best, when in fact this is not true at all, and can be very misleading. My session in Honiton will provide easy to follow advice to ensure breathing sufferers are correctly informed".

The free two hour session will commence at 11am, Tuesday, January 6th at Beehive Community Centre, Dowell Street, Honiton, Devon, EX14 1LZ. Placements must be booked in advance either online at [www.buteykomethod.co.uk](http://www.buteykomethod.co.uk) or by calling 0844 357 7373.

### ALMOST HEAVEN - Multi Story Theatre

Saturday 17 Jan 8pm Tickets: £8

A couple try to mend their broken past. In a garden full of birdsong she tells him stories about the origins of language and why people don't understand each other. She helps him explore a story he needs to tell. But do the stories they tell and the arguments they provoke draw them any closer? Time is running out.

"absolutely gripping." Belinda Dillon, Exeunt

## New Infiniti Q70 Pricing Revealed

AN ATTRACTIVE new entry price point, lower CO2, extra equipment including full LED front and rear lighting, and a sharp new family look sum up Infiniti's premium Q70 saloon range for 2015, prices for which have been confirmed.

The upgraded line-up, on sale across Europe from January, starts with a new Q70 2.2d model, powered by a four-cylinder diesel engine developed as part of Infiniti's strategic co-operation with Daimler.

Mated to a standard seven-speed automatic transmission with available paddleshift (depending on model), the new 2.2 diesel unit in the Q70 emits just 129g/km of CO2 while of-

fering stirring performance thanks to 170PS and a generous 400NM of torque.

Replacing the 3.0-litre V6 diesel in the Q70 range, the new Q70 Premium 2.2d is priced from £32,650. The car comes as standard with full LED headlights, chromed accents on the front grille, a rear-view camera, front and rear parking sensors, with standard Connectivity+ navigation, 18-inch wheels and leather seats with ventilation, in what is a typically generous Infiniti standard specification.

It is expected that such attractive pricing for a large premium saloon endowed with exceptional technology and equipment will make the new Q70 2.2d model the most popular Q70

variant in the UK market.

Other versions in the new line-up comprise of 'Sport', with an even more expressive look to the front bumper, uprated brakes and 20-inch wheels, among other changes.

Available with selected Premium and Sport models, Tech models come with Infiniti's Dynamic Safety Shield (intelligent cruise control, lane departure prevention and blind-spot intervention), Bose Premium Surround Sound with 16 speakers and Around-View Monitor with Moving Object Detection and Forest air-conditioning.

As well as the new 2.2 diesel engine, the Q70 for 2015 is available with both 3.7-litre V6 petrol power and, for the flagship, the award-winning Infiniti Direct Response Hybrid powertrain. Benefitting from the enhancements introduced on the Q50S Hybrid, the latest Q70 Hybrid offers even more performance – accelerating from 0-62mph in just 5.3s – and better efficiency, with CO2 emissions at 145g/km.

Marking their European debut at the Paris Motor Show last October, the latest Q70 models are upgraded both under the skin (with improvements to refinement and ride comfort) and above it. A new, more chiselled look to front and rear bumper sections enhances the seductive shape while bringing the Q70 closer to the new family look introduced with the Q50. The headlights retain the distinctive Infiniti design but, for all models in the range they are full LED, like the rear lights.

Prices for each of the versions and their options are attached. The new Q70 will arrive in the Infiniti network from January 2015.

## Order Books Open For The Limited-Run Fiat 500x "Opening Edition"

THE order books for the new FIAT 500X "Opening Edition" are now open! Only 500 examples of the new special series will be available in the UK, offering customers the chance to not only be one of the first to own FIAT's stylish new crossover, but also to benefit from a host of additional equipment at zero extra cost.

Both flavours of the FIAT 500X are available: 325 examples of the elegant 4X2 "City Look" version and 175 examples of the rugged AWD "Off-Road Look" model will be offered in total. The 4X2 version is based on the Pop Star trim level, which usually comes equipped with 17-inch alloy wheels; body-coloured bumpers; cruise control;

front fog lights with cornering illumination; automatic climate control; rear parking sensors; "Drive Mood" selector and the five-inch Uconnect™ infotainment system with Bluetooth as standard. However, in Opening Edition guise it is enhanced with special

"Art Grey" pastel paint; 18-inch alloy wheels; the Safety Pack (Lane Assist; Blind Spot Assist; ParkView reversing camera and "Brake Control" collision mitigation system); the Comfort Pack (Keyless Entry & Keyless Go; front armrest and electric lumbar adjustment on the front seats); tinted rear windows and an "Opening Edition" badge – all as standard.

Powered by the 1.4 MultiAir II 140hp, the FIAT 500X 4X2 Opening Edition is priced from £17,595 – the same price as the equivalent Pop Star – but with a substantial £1,725 worth of extra equipment at no extra cost.

The AWD version is powered by the 2.0 MultiJet II 140hp engine with a 9-speed automatic transmission as standard, and is available only in tri-coat "Amore Red". Like the 4X2 version, it includes a long list of extra equipment including a black leather interior with red inserts; Visibility

Pack (rain and light sensors, power folding door mirrors, electro-chromic rear view mirror), steering wheel paddle shifters and, again, an Opening Edition badge. This is in addition to the HID headlamps; adjustable cargo floor; front floor mats; 18-inch alloy wheels; 3.5-inch TFT colour display and 6.5-inch Uconnect™ infotainment system with 3D satellite navigation which are already standard on the top-of-the-range Cross Plus model.

Priced from £25,845, the range-topping FIAT 500X Cross Plus Opening Edition offers an impressive £2,850 worth of additional features at no cost to the customer.

The FIAT 500X Opening Edition is available to order now in participating FIAT dealerships with first models expected to be delivered in May 2015.

## Fishermen snared by big penalty call

### SOUTH WEST PENINSULA LEAGUE - Division One (east)

**Sidmouth Town 0 Budleigh Saltn 3**  
TWO goals from Jack Greenslade helped the visitors to a comfortable win in this local derby.

Despite the final score line it was the Vikings that nearly took the lead in the 25th minute when Ashley Small struck the inside of the post.

Both sets of players struggled with the playing conditions in a fairly evenly contested first half. But it was the visitors that opened the scoring a minute from half-time when Aaron Denny tapped in from close range.

Budleigh scored their second in the 75th minute, this time the impressive Greenslade crossed from the left wing which found the unmarked Hugo Demetre and left the player with an easy finish.

The third goal came four minutes from time, Greenslade beating the off-side trap and calmly slotted home.

Next up for the Vikings is Saturday's trip to face St Martins.

**Axminster Town 0 Okehampton 5**  
AXMINSTER Town remain two points adrift at the foot of the table after slipping to their fifth successive defeat in a match played at Budleigh Salterton's Greenway Lane.

The Tigers welcome Teignmouth on Saturday, 2.15pm ko.

### DEVON & EXETER LEAGUE

**Beer Albion 0 Sidbury United 1**  
BEER Albion can count themselves unlucky not to have gained at least a point out of this fractious local derby which was decided by a dubious second-half penalty writes Richard Homnor.

Sidbury's physical, high-tempo approach did not make for a great spectacle.

Despite this Beer were the better side for the first 45 minutes and with more luck might have been two or three in front. Chris Long and Jacob Clode were working well in midfield and both tested the Sidbury keeper from long range on a couple of occasions.

Then John Cooper got on the end of a free kick by Long only to see his effort hit the post.

Beer still might have scored from the resulting goalmouth scramble but the Sidbury defence somehow managed to keep the ball out.

The visitors came more into the game in the second half. Beer's defence were at full stretch on occasions but worked hard to deny the visitors any clear-cut chances and home keeper Steve Jones was rarely tested.

The game-changer came in the 70th minute when Sidbury's Dan Churchill

chased a long through ball down the middle into the penalty area. Keeper Jones got there first and scrambled the ball away for what appeared to be a corner.

The pair collided and the referee, who was standing in the centre circle, awarded a penalty that Dan Gale slotted home.

Beer strived for an equaliser but the visitors held out comfortably to win the three points and consolidate their third-place position.

### ROUND-UP

With HEAVYTREE UNITEDS match at HATHERLEIGH being called off, one of 25 postponements in the League, it means that TIVERTON TOWN will head into the New Year as Premier leaders.

THORVERTON ended the year with a 4-2 win at SEATON TOWN scoring all four goals in the first half an hour. Seaton scored either side of the break, but the Thors saw the match out.

Lee Radford with a hat-trick and Liam Vanstone were the Thorverton marksmen.

CHARD TOWN came from a goal down to draw 1-1 with TOPSHAM TOWN whose Kieran Barber opened their account. Jamie Boyland levelled for Chard.

NEWTOWN and WILLAND ROVERS shared four goals, a result which lifts Newtown into fourth place.

Following their 1-0 victory at WITHERIDGE, NEWTON ST CYRES are now the main challengers to inactive leaders HONITON TOWN. Witheridge

were dismayed at missing a glut of chances.

EAST BUDLEIGH soared into the top half of the table after their 2-1 win at LYMPSTONE.

COLYTON regained top spot in Division Two after beating TOPSHAM TOWN 5-2, but keep an eye on UPTOTERY after they beat HALWILL 5-1 with Steve Morris (2), Sam Farmer, Max Mckeown and Sam Winslade scoring. Upton totalled 114 cup and league goals in 2011!

NEWTOWN crumbled to a 3-0 defeat against CHULMLEIGH whose Steve Ebdy had all three goals. Keeper Steve John celebrated his birthday by keeping a clean sheet.

With none of the top six in Division Three getting a game CHAGFORD made ground with a startling 6-2 win at THORVERTON. Josh Stanbury with a hat-trick, Robbie Miller, Andrew Davis and Euan Stone scored for the moormen.

Division Four pacemakers COUNT-ESS WEAR DYNAMOES were shattered 6-1 at home by MORCHARD BISHOP. Ryan Piper and Phil Greenslade both scored twice, Matt Buckingham and Liam Scholfield once.

New Division Five leaders UPLW-MAN ATHLETIC went goal silly against PRIORY winning 9-0. Chris White and Paul Orchard hit doubles.

OTTERTON won 4-3 against a much strengthened FENITON side with Kev Pitt notching twice. Lee Mitchell and a 50 yarder from Gary May did the rest.

Gareth Osman, Tony Knight and Sam Appleby scored for HALWILL as they beat STOKES HILL 3-1, and Olly Pagett and a 90th minute Matt Clothier-Smith goal saw FLUXTON grab a 2-1 victory at SAMPFORD PEVERELL.

Unbeaten OTTERTON ST MARY remain seven points clear in Division Six after a 3-0 win at DUNKESWELL. Connor Swinger, Phil Paddison and Jonny Baker scored.

Close rivals KENTISBEAR battered SEATON TOWN 9-0 with both Tom Biddow and Kirsten Parkhouse getting hat-tricks. They might have doubted that but for a blinder by the Seaton keeper.

HEMYOCK won a thundering game at TIVVY PARK RANGERS 6-3 in the only Division Seven match played at Phillips and Shane Heale both scored twice for the Rangers.

CULM UNITED soared to top spot in Division Eight after steamrolling MORETONHAMSTEAD 11-1 for their 11th consecutive win.

## Axe Valley victorious!

HAVING qualified as winners of their group in round one at the start of December, the Axe Valley Community College U13 Girls Badminton team travelled to The Kings School, Ottery St Mary on December 16th to compete in the finals alongside Colyton Grammar, Cullompton and Exmouth.

Axe Valley faced Cullompton in the semi-final and won five games to

nil.

They then faced Colyton in the final and this was a much closer affair with some very competitive play being demonstrated by both schools.

The first singles game went Colyton's way but this was evened up in the next doubles game.

Axe Valley took the lead by winning the next singles games and knew the trophy would be theirs if

they won the next doubles game.

Typically this was the closest game of the event so far going to a 14-14 match point situation.

The Axe Valley pairing kept their cool and won 15-14 to clinch the title.

**Axe Valley team;** Sophie Sharp, Charlotte Vigurs, Millie DeBono and Megan Herbert (also Maia Booth who played in round one).

◆ SEATON U9s were involved in two Christmas crackers against Brington.

The first saw them edged out 3-2 in a great encounter, Leo Gribble scored both Seaton goals. Adam Clinch and Kieran Jaycock were superb in defence.

Next up were the Blues and Seaton turned in their best performance of the season winning 2-0 in an outstanding team performance.

After less than a minute Henry Matthews latched onto a through ball from Lewis Gorman and tucked away the opener. Aaron Hale then slammed in a second just before half time.

Seaton's defence held firm in the second half, with Max Nevell and Corbin Reel patrolling the midfield.

## Christmas Fayre cheer for Palmer

**HONITON** with Andy Wagner  
**MONTHLY STABLEFORD**  
IT was the last Stableford before Christmas and the conditions were quite benign. Some took to the course more than others with some bumper scores amongst the winners. Division One was lead by Darren England with 39pts ahead of Ian Atyeo 38 and John Marchant 36.

Division Two was equally solid with Brian Morrison taking the honours on count back from Andy both with 39pts. Third was Andy Morris with 38.

**TUESDAY MIXED**  
"ROLL up, roll up - everyone a winner" is the cry of the Fairground stall holder - much like this weeks Mixed Competition - Brung and Win Greensome Stableford with "every-

one a winner".  
Forty two members competed and the best score of 39pts was by Su & Den Calver - with Su putting everything in sight.

Next best on c/b was 36 by Janet Hughes & Bob Barnes - followed by Lesley Farley & John Northover 36 losing out on c/b and Elizabeth & John Ward with 35.

Then all other competitors selected their prize in points scored order. The prize table looked very festive - chocolates, biscuits, wine etc as did the various sweaters, hats and Christmas ties on show.

Jennifer and Richard Pyle checked the cards and announced the scores - they thanked all the members who had organised the competitions each month during the past year and then thanked Andrea Squire for writing the press reports each week and pre-

sented her with an Amaryllys.  
Club Captain Ron Graham then gave a vote of thanks to Jennifer and Richard, bar staff and catering and then wished all members a Happy Christmas and all best wishes for the New Year.

**AXMINSTER** with Helen Kenworthy  
**THE Men's Section** played their December Medal on December 7th, scores; Division One - 1st Alex Todd net 65, 2nd (on back 9) Paul Curtin net 66 and 3rd Chris Glover net 66.

## Wild night for James in Dark Dart Dash!

**HONITON RC** with Judy Davey  
**SHANE** Hudd ran the 9.8 mile TORRINGTON CHRISTMAS CAPER on Sunday, December 21st.

The course, which started and finished at the town's Rugby Club took runners along trails, through muddy tracks and fields, up hills and through a few bogs too. Shane finished 85th out of 185 runners in 1:27:42.

On the same day several other HRC members took part in the WELLINGTON MONUMENT race which is just over 10k.

It was a mild cloudy morning in Hemmock and the gruelling hill took runners up towards Simonsburrow before levelling out and circling Wellington Monument.

The race was won by Rowan Preece of Taunton AC in the time of 33 minutes 51 seconds and first back for Honiton

was Paul Williams who came 43rd in 44:52.

Mark Dallyn was next back coming 55th in 46:49 and Helen Davy finished 98th in 51:10 winning a category prize. Helen's daughter Morgan also won a prize for 1st Under 18 female coming 122nd overall in 53:29.

It was Claire Burrough's first ever race and she did brilliantly to come 138th in 55:11.

Helen's other daughter Sasha completed the HRC contingency to come 141st in 55:19. There were 196 finishers

very dark. A single file concrete path at the start quickly morphed into a lovely trail through the woods with plenty of climb and more than enough tree roots to keep you sharp.

Having worked his way into a promising second place at the half way stage James found himself lost and had to retrace his steps to rejoin the race, eventually recovering to 3rd in 46:17.

The next instalment is on January 31st in South Brent.

The WELLINGTON MONUMENT 10K starts from the Catherine Wheel pub and then climbs to, and circles, the Wellington Monument, returning along the same road to finish at Hemmock CP School.

One mile of firm stone track, a steep ascent and descent of approximately a half-mile form part of this undulating, hilly, scenic and rural course.

Sue Venn successfully finished in 59:54.

## Terry up to the challenge

**SEATON SHORT MAT** with Linda Stone

SEATON short mat bowls club completed their CHRISTMAS SINGLES CHALLENGE competition on Saturday, December 20th.

Twenty four players competed throughout the week in a round-robin competition and the top four players went through to the semi finals.

Terry Hurley-Smith won his semi against Sue Smith while Gill Sykes beat Tony Swindells.

Hurley-Smith who eventually won in a close fought final against Sykes.

The event was a huge success with good crowds of spectators and the day was finished off with a fish supper.

**HONITON** with Ann Brown

IT'S been a rather lean week for Honiton bowlers. A friendly against CHARDSTOCK gave a 84-74 win with the top rink being Mike Uniacke, Alan Fuller, Ted Cox and Ken Morfey 27-18.

But there was a 52-83 defeat to EXONIA with a loss on all rinks. June Lee, Gill Munslow and Keith Parsons were the top rink only losing by one shot.

The men played the Charles Parrott County Trophy (for unbadged players only) but were knocked out by TORQUAY UNITED.

They fared better when the Men's Devon County President, Tony Berry, brought a team to play. The home team won 69-66. Top rink was Dave Roberts, Keith Parsons, Clive James and Bernard Tonkin 17-10.
